1. Introduction

Welcome to **DineWise**, an AI-driven platform designed to personalize your dining experience. With features like dynamic pricing, menu recommendations, and easy-to-use ordering options, this user manual will guide you through the functionalities of the DineWise website.

2. Getting Started

Homepage

- The homepage introduces DineWise with a brief description of its features.
- A prominent "**Get Started**" button allows you to begin your journey.

Registering an Account

- Choose between **Customer** or **Restaurant** registration.
- Fill in the required details:
 - For Customers: First Name, Last Name, Email, Password.
 - For Restaurants: Business Name, Address, Phone Number, Email, Password.
- Click **Register** to create an account.

3. Logging In

- Use the login form to access your account.
- Select **Customer** or **Restaurant**.
- Enter your email and password.
- Optionally, use **Google Sign-In** for convenience.

4. Resetting Password

- Navigate to the **Forgot Password** option on the login page.
- Enter your registered email address to receive a reset link.
- Follow the link to reset your password securely.

5. Dashboard Overview

- After logging in, you'll land on your personalized dashboard.
- Key Features:
 - Discover restaurants based on your preferences.
 - Search for specific cuisines or restaurants.
 - Filter results by cuisine types such as Indian, Italian, Mexican, etc.
 - Access the **Update Preferences** button to modify your settings.

6. Updating Preferences

Dietary Restrictions

- Click **Update Preferences** to customize your dietary settings.
- Options include:
 - Vegetarian
 - Vegan
 - Halal
 - Kosher
 - Gluten-Free
- Save your preferences to receive personalized menu recommendations.

7. Exploring Restaurants

- Select a restaurant from your dashboard to view its details:
 - Name, Address, Phone Number, Rating.
 - Menu items available, categorized by type.
- Dynamic pricing updates ensure you see the latest prices.

8. Placing an Order

- Browse the restaurant's menu.
- Each menu item includes:
 - Name
 - Description
 - Price
 - Dietary labels (e.g., Gluten-Free).
- Click **Add to Cart** to add items to your order.

9. Managing Your Order

- View your cart on the right-hand side.
- Check the list of added items, their quantities, and the total price.
- Edit your cart by removing items or changing quantities.
- Click **Proceed to Checkout** to finalize your order.

10. Additional Features

- **AI Recommendations:** Highlighted dishes recommended for you.
- **Dynamic Pricing:** Regular price updates based on market conditions.
- **Favorites and Filters:** Quickly find your favorite restaurants or explore new ones using filters.
